Our firm is a market leader with more than four decades of experience in the settlement services sector. We offer a range of personal and small business services to enable consumers and small businesses to manage their mortgage, credit, debt, insurance, and savings needs. Our mortgage products include fixed, variable, and, most recently, discounted mortgage products. In addition to residential mortgages, we also provide special products that meet specific needs, such as first time buyer mortgages, gap financing for the home improvement business, and commercial mortgages to develop commercial real estate. In addition to residential mortgage lending, our services include financial planning, debt counselling, and savings products, such as term deposits, investment products, retail savings, and managed funds. Our broker-assisted and online products also enable consumers and small businesses to access a broad range of financial services. Committed to long-term growth and success, we are a family-owned and -managed company that is committed to doing the right thing for its customers and staff. Conveniently located at the heart of the CBD, our St Lucia head office is open for business Monday to Friday, from 9:00 AM to 5:00 PM. Our team of over 100 staff members is dedicated to ensuring that our customers receive the highest quality customer service. In addition to our offices in St Lucia, we have service centres in the cities of Auckland, Christchurch, Hamilton, and Auckland. Our Vision As the leading mortgage lender in St Lucia, our vision is to provide the most innovative, trusted, and convenient financial services to our customers. Our growth strategy is to provide high quality, ethical, and fair products and services to our customers, and strive to provide consistent and continuous improvement in all areas of our business. Our Mission Our mission is to provide quality mortgage products and services to all customers in a fair and honest manner. As a responsible and ethical provider of financial products and services, our focus is to continue to build our business on our competitive advantages – providing products and services at an affordable cost to the St Lucian consumer. We are committed to helping customers navigate the ever-changing financial landscape, and are
