op 6, 2017 by halswynn 7b17bfd26b reply 17 February 2022 imagfor. The answer to this question depends largely on whether it matters how you read the text. Please describe how you need to read the code to make it clearer. In order to understand how a command is executed, you need to know what it is for. This lesson explains how to read a Pascal program. And how to understand what happens when executing. Oct 18, 2008 to understand how the code you write works, you need to know how it works.
